

Friends Director list in alphabetical order.

Terms began at the Annual Meeting which was in January to March until 1966, May until 2020, then October.. The "last year" is the final year of election, with the term ending the following year at the next annual meeting. [i.e. a last year of 1968 means the director was in office until the annual meeting in 1969.] Those with no data in the "last year" field remain directors.

Some individuals had several periods of directorship, each period listed separately. Some individuals also had an "honorary director" term, but those are not listed. Beginning in 1971 the Gardener/Garden Curator became an ex-officio director. Those are listed.
